COUNSELOR IN TRAINING (15 years old)
The JCC CIT Experience combines hands-on counselor training with social action initiatives and weekly CIT only trips for a full, enriching summer experience. CITs spend each morning assisting in camper groups. After lunch, CITs meet to enjoy some social time with their peers. In addition to weekly trips, CITs participate in on or off-campus social action initiatives which support local causes. CITs (entering 10th grade) who successfully complete the program may be invited back next summer as Junior Counselors.

Limited spaces available. Application & interview req.

LEADER IN TRAINING (14 years old)

The serious dance student with some experience will enjoy a comprehensive curriculum of dance and dance-related classes taught by professionals. Students take a variety of classes including ballet, pointe, contemporary, jazz hip hop, tap, modern, composition/choreography, Pilates mat, yoga and nutrition. Dancers attend camp daily, 10:30am-4:45pm and may choose a 2, 3, or 4 week option. Parents are welcome to observe a class of their choice during the last week of camp.

Limited to 16 participants
The joy of creative expression is what our unique Summer Arts Center is all about. The only program of its kind in lower Westchester, SAC provides an opportunity for campers to focus on art, dance or theatre as a major, while taking electives in all other disciplines.

Campers create a custom schedule of four classes each day (20 classes per week), all taught by professionals in the field. Classes include drawing and painting in charcoal, water color and acrylic, ceramics, decoupage, jewelry design, 3D art, classical ballet, tap, jazz, hip hop, musical theatre workshop, acting dialect and improvisation.

Instructional swim, gymnastics, cheerleading and teen fitness are also offered and all campers are encouraged to participate. At the end of the summer, campers proudly share their artistic accomplishments in the “SAC Showcase.” Half-summer campers may also participate in a final performance.

**SAC JUNIOR** (2nd Graders)

SAC Juniors will travel as a group with dedicated counselors. The SAC Juniors will have 4 classes each day, one of which will be instruction/free swim. They will all be exposed to beginner level classes in theatre, dance and fine art, giving them the opportunity to immerse themselves in all aspects of the arts.
