

SCHOOL VISITING DAY – A WELCOMING TRADITION

On Friday, September 7th, you (or another loved one) are invited to bring your child to his/her classroom for a short visit together. This is a time for both of you to meet the teachers in the room, explore the surroundings together, find your child's special cubby space, and bring the things needed for the first day.

Come anytime between the hours of 10:00 am and 11:30 am, and stay for up to a half hour if you would like to. We look forward to greeting you and beginning this year of shared partnership and caring together.

Our PTA will be sponsoring a playground get-together between the hours of 9:30 am-11:30 am. Stop by and have some fun and treats.

Welcome to the JCC Nursery School!
