NURSERY SCHOOL

PHOTO/VIDEO/FACE BOOK/SOCIAL MEDIA RELEASE

Photos and videos are a wonderful tool for us, as educators, to document happenings in our classrooms and facility. These photos are used for many purposes (including documenting effective teaching techniques, advertising/promotional materials and sharing events with parents and/or guardians on our closed nursery school face book sites and “open” JCC of Mid-Westchester face book site). Names of children are never used and as always, your desire for privacy and confidentiality will be respected in our decision as to how best to use this material.

Please check all that apply:
