

March 2019

Dear SAC'er and Parents,

Welcome to SAC and welcome back to all of you "old timers". I know it will be a fun and exciting summer and I cannot wait to get started. Here is the first step in making SAC '19 the best possible experience for everyone.

Attached are the course forms for the summer. The first page lists our MAJORS (each major has some requirements). Please check off your major. For SAC'ers majoring in dance, please fill in the number of years of training and the school in which you have trained so that we can place you appropriately. If you have danced at SAC in previous summers please note whether it was for ½ summers or full summer. **There are no performance classes for beginning level dancers.**

Regarding our Theatre Performance program please be aware that **everyone** is welcome to be in one of our summer performances. You do not have to be a theatre major. Just be aware that rehearsals will be a significant amount of time so it is a serious commitment. For full summer campers, please indicate if you want to be in both Session 1 and/or Session 2 of the Musical Theatre performances and/or Mini Production. For *On Cue* you **must** be a full summer camper, 6<sup>th</sup> grade and up. CIT's are welcome and encouraged to participate.

On the last 2 pages please number the elective courses you would like to take in order of your preference. **PLEASE NUMBER AS MANY AS POSSIBLE.** Keep in mind that there are potentially 20 different classes each week so the more you number, the better. I will try to accommodate your wishes whenever possible but I do need flexibility. I urge you to try new classes over the summer. It's a great time to experiment. On the last page you should also indicate if you wish to swim, how often, and if you are interested in gymnastics, cheerleading and/or teen fitness. Please note that gymnastics, cheerleading and teen fitness are all at the same time as swim each day so conflicts can happen.

These SAC class forms must be returned to me by **APRIL 12th**. Late forms risk not getting all of your preferred choices.

Parents must also download the required **Medical Forms** as well as all **release forms**. Please fill them out thoroughly and return to me by **June 3<sup>rd</sup>**. **We cannot have your child in camp without these forms.** The Medication Permission Forms authorize the camp medical director to administer certain medications to campers should they need it. We will try to contact a parent before administering the medication, however if the parent is unreachable, we will refer to the form. If you have questions about any of these forms please call me at (914) 472-3300 x 346.

Have fun choosing your SAC summer! You will receive your schedule approximately one week before camp begins.

Best.
